

We are on the look out for enthusiastic, energetic and hard working people who provide great customer service, whilst having fun!

We're always looking for fantastic new team members to join our Piggys family!

No experience is required (just a passion for food!) as full training is provided on the job.

At Piggys , we have a history of people development and are proud to have created a culture that supports and encourages our team members to progress and grow with us. In fact, many of our current members of staff have worked for us for 5 to 10 years!

As well as continuing to develop our current team, we're also looking for great talent.

Sound up your street? Even if we aren't currently recruiting we'd still love to hear from you!

Please send your CV over to info@piggyspiccadilly.co.uk
